

Coalmont Community Association  
***Meeting held 7pm July 17,2012 Coalmont Hotel***

Chaired by Ole Juul  
19 people in attendance.  
Minutes not read.

Brad Hope was in attendance for a short time due to a meeting regarding the Hospital taking place that evening in Princeton. He advised that REEF would be funding \$165,000 to fund locums and Princeton industry would be contributing an additional \$13,000 to help the ER situation affecting Princeton and area. A townhouse is slated to be rented to provide accommodation with 1/2 being paid by the town and 1/2 being paid by area H. He advised that work was ongoing to increase and provide services. Also defibrulators have been distributed to Allison Lake and Missula Lake. In regards to the illegal dump at the end of Main street Brad advised the group that a truck was to come in and clean up metal and plastic and then burn the wood. Camera Surveillance will also be in place. In the matter of Smart road, Ministry of Transport will not sign as it is classified as a forestry access road.

The issue of dead trees and maintenance of the Cemetery was raised by Bob Stern. He advised he and Dianne could no longer do the work that they had been carrying out for some time and that assistance would be required. Discussion followed regarding the heritage status of Granite Creek and the status of the Cemetery by RDOS. The concensus was that local community involvement always costs less than regional or provincial government involvement and could be effected with quicker results.

Brad Hope advised a \$500.00 grant for community funding could be received from the RDOS to help to reimburse with costs such as signage, etc. including signage for Smart Road. The clean up of White Sands done by Bill, George, Margaret and Sam was discussed and applauded. The possibility of this area being allocated as a Forestry campground was raised.

The requirements of a Society was tabled by Ole Juul and discussed. Motion to keep C.C.A. an association was made by Faye Davidson. Seconded by Ninka Klaver – carried unanimously.

KVR Trail usage discussed with Ken Davidson speaking regarding the benefit and need for multi-useage between Princeton and Coalmont. Maintenance was started 2 years ago with no complaints from cyclists this year. Signage and education being important to help in trail enjoyment from all users, it was recommended that 3 signs be placed by a new committee formed by Ken Reeve, Chris Goodfellow and Eilleen Walsh, with Bill and Ken consulting. This committee would meet to form wording of signs and placement. Motion to have committee west up by Bob Stern. Seconded by Ken Davidson.

Motion for payment of \$25.00 to Coalmont hotel for use of facility for C.C.A. meetings made by Ole Juul and Seconded by Chris Goodfellow.

Coalmont hotel 100 year anniversary discussed.

Meeting adjourned.
