

Coalmont Community Association

Minutes of July 19, 2014

Chaired by Ole Juul
Called to order 7:15 p.m.
11 persons present (no quorum)
Regrets: Brad Hope

Minutes of last meeting: not read.

Treasurer Report:
Balance – 1506.04
Petty Cash – 60.00
Cash to hall rental – 25.00
Moved to accept Chris Goodfellow, second Eileen Walsh, Passed

General report by Ole regarding local issues:

- Fire ban now in effect.
- Telus telephone cable now on poles but some still in ditch may cause future problems.
- Peterson Bluff work will continue until end of August. Anchors and 4425 Sq metres of slope mesh to be installed.
- Coal mine. No buyer found, and Arthon bankrupt.

Announcement that we are looking for a new secretary. Anyone who is interested is encouraged to step forward. The job consists primarily of taking minutes.

New Business

- Bob Reid put forth that he was not keen on the use of metal storage containers in Coalmont. In his opinion they are an eyesore. Many agreed, but did not feel that it was something that we could, or should, address.
- Discussion about the usefulness of having a summer meeting on a Saturday evening. Since we didn't have a quorum, it would appear that it is not such a good idea. Some, however felt that having meetings on varying days of the week could allow more people to attend. There was a suggestion for having two of our four annual meetings on a Tuesday, and the other two on a Thursday. It was decided to continue this discussion at the next meeting where we will likely have a quorum and can make a decision.

Meeting adjourned 8:15 p.m.
